

# Bay Area Protected Lands 2010 - 2018

## Additional conserved land, 2010-2018

Between 2010 and 2018, over 144,000 more acres of land and water were conserved across the 10-County Bay Area. Lands protected since 2010 are highlighted in orange.

(Note: The magnitude of information sources for conserved areas results in incomplete records. Contributing to the Bay Area Protected Areas Database helps ensure the CLN reporting is as accurate and current as possible.)
